

## Introducing Field Trips at inspireU!

Inspiring local schools and childcare providers.

When you're planning for your next field trip, consider a trip to inspireU Children's Discovery Center!

[Learn More](#)

## Field Trips Details

At inspireU, we are proud to provide support for teachers and daycare providers. We want to help them inspire the next generation, which is why our field trips are budget-friendly and our facility is accessible for all.

## Our Interactive Space

With over 35,000 square feet to explore, our student visitors will find interactive exhibits that focus on our core tenets: nutrition, movement, mindfulness, connection, and community. Discover our tiny town that features a kid-sized grocery store with working scanners, a construction site and ambulance, a 2-story climber, a rooftop experience, and so much more!

---

## Field Trip Pricing

Field trips to inspireU Children's Discovery Center include two hours of self-guided play and are designed for children from Pre-K to 5th grade.

Child

**\$10**

Adult

---

## The Details

inspireU is open for two-hour self-guided field trips Tuesday through Friday, 10:00 a.m. - 5:00 p.m. During the summer months and holidays, we will have limited field trip availability. Please request your field trip as soon as possible to ensure your group receives the date & time you want!

If you're interested in planning a field trip to inspireU, we want to introduce you to Kiley Conroy. Kiley is our Experience Associate in charge of coordinating field trips! To get started, head to the form via the button below!

## Youie's Development Tip

Did you know that field trips offer students invaluable opportunities for hands-on learning and engagement? By stepping outside the classroom, children have the opportunity to explore, discover, and interact with new concepts in a practical setting. Through field trips, children develop a deeper understanding of academic subjects, strengthen their social and emotional skills, and cultivate a sense of wonder and excitement about the world around them!
